June 1, 2020

Greetings,

Well Daycare/The World is different now. I hope everyone and their families are safe and healthy. As we get ready to hit the restart button on Childcare, some new guidelines have been put in place from the State of Ohio and CDC. Hand washing is mandatory when you enter. Temperatures will be taken daily at the beginning of the day when they arrive. If the temperature reads 100° or greater they cannot stay and have to go home immediately.

If your child is sick, please keep them home for everyone's safety. Any symptoms associated with an illness such as a cough, runny nose, or sneezing will no longer be permitted. Any child sent home with a fever cannot return until symptom free for 24hrs without medication. If you are sent home for symptoms, please allow 48 hours. These rules apply for Mr. Dan as well as staff. We are no longer allowed outside toys for sanitation reasons.

If you leave the country for vacation, please allow 14 days before you return. If you or someone close to you test positive for Covid-19 please follow the CDC recommendations. We must work together to keep everyone safe. Mask do not need to be worn by children. Staff it is optional.

There will be cleaning throughout the day, however 1 Friday a month I will CLOSE to allow a company to sanitize the entire facility. I'm guessing 3rd Friday of the month, but I must check their schedule to confirm. Everyone must sign when they come to the daycare and acknowledge that they read and agree with the new Covid-19 Policies. If you have any questions, please let me know.

Together we will win.

Stay Safe

Mr. Dan & Staff
